SKILLS PARTNERSHIP PROGRAM

School of Health Sciences

The School of Health Science's Skills Partnership Program develops work skills to make our students job ready. This relies on strategic partnerships with industry. Our new program provides employers with access to tailored training options, reduced fees, priority service, and opportunities to help shape our training, delivery and assessment strategies.

The School of Health Sciences (SHS) delivers nationally recognised vocational education and training in Animal Sciences, Health, Dental Assisting, Nursing, Sciences, Hairdressing, Beauty, Floristry, Early Childhood Education, Youth, Disability and Community Services. We seek relevant workplaces to support practical work placements for our students.
